## REQUIRED MANAGER QUALITY ASSURANCE

Cakes and Bakes, an ISO 9001:2015 certified premier food company, engaged in end to end business from manufacturing bakery, snacks, sweets & confectionary, frozen food, milk and pure water products to selling through its own retail stores, is looking for energetic, vibrant and result-oriented individual well conversant with production processes, good manufacturing practices, production KPIs, compliance regimes (both local and international), quality controls (at input, process and output levels), RCA and human development. Additional traits giving competitive edge to aspiring candidate are formal training(s) on and experience in implementing Lean manufacturing philosophies such as 5S/6S, Six Sigma, and/or Kaizen. Professional certifications like ISO 22000 (FSMS) Lead Auditor, Six Sigma Black Belt, HACCP, OSHA etc will also give added advantage to applicants. Basic job specifications and skill-set are:

- a) B.Sc/BS/M.Sc/MS in Food Technology, Microbiology or Food Safety. With top up degree in MS TQM will be added advantage;
- b) At least 8 years of post-qualification experience in food industry; holding MQA position for at least 4 years;
- c) Excellent Communication, Analytical, Interpersonal and Team building Skills;
- d) Should have hands-on on MS Word, Excel and Power Point; having worked on QA module of any known ERP (MS Dynamics, SAP, IQMS etc) will give added advantage;

Candidates fulfilling above-mentioned criteria are encouraged to apply by e-posting their updated CVs along with photograph, scanned copies of final degree(s), experience certificates, and certifications evidence (if so claimed) through email sent at:

[careers@cakesandbakes.com](mailto:careers@cakesandbakes.com) by **January 22, 2022**. Short-listed candidates shall be intimated interview date through email.

Market-driven attractive salary package and fringe benefits including company maintained car will be offered to the selected candidate.

**Human Resource Division**
